

Entity Relationship Diagrams - Finance

This file contains entity relationship diagrams (ERDs) for specific modules within the Finance system. These ERDs were created using Visio, then converted to portable document format (PDF) for readability in online or printed format. You may want to print these pages, and assemble them for an overall picture of the module.

Please monitor the Banner Finance listservers for additional ERDs as they become available.

Banner Finance Reporting Attributes Without Sets

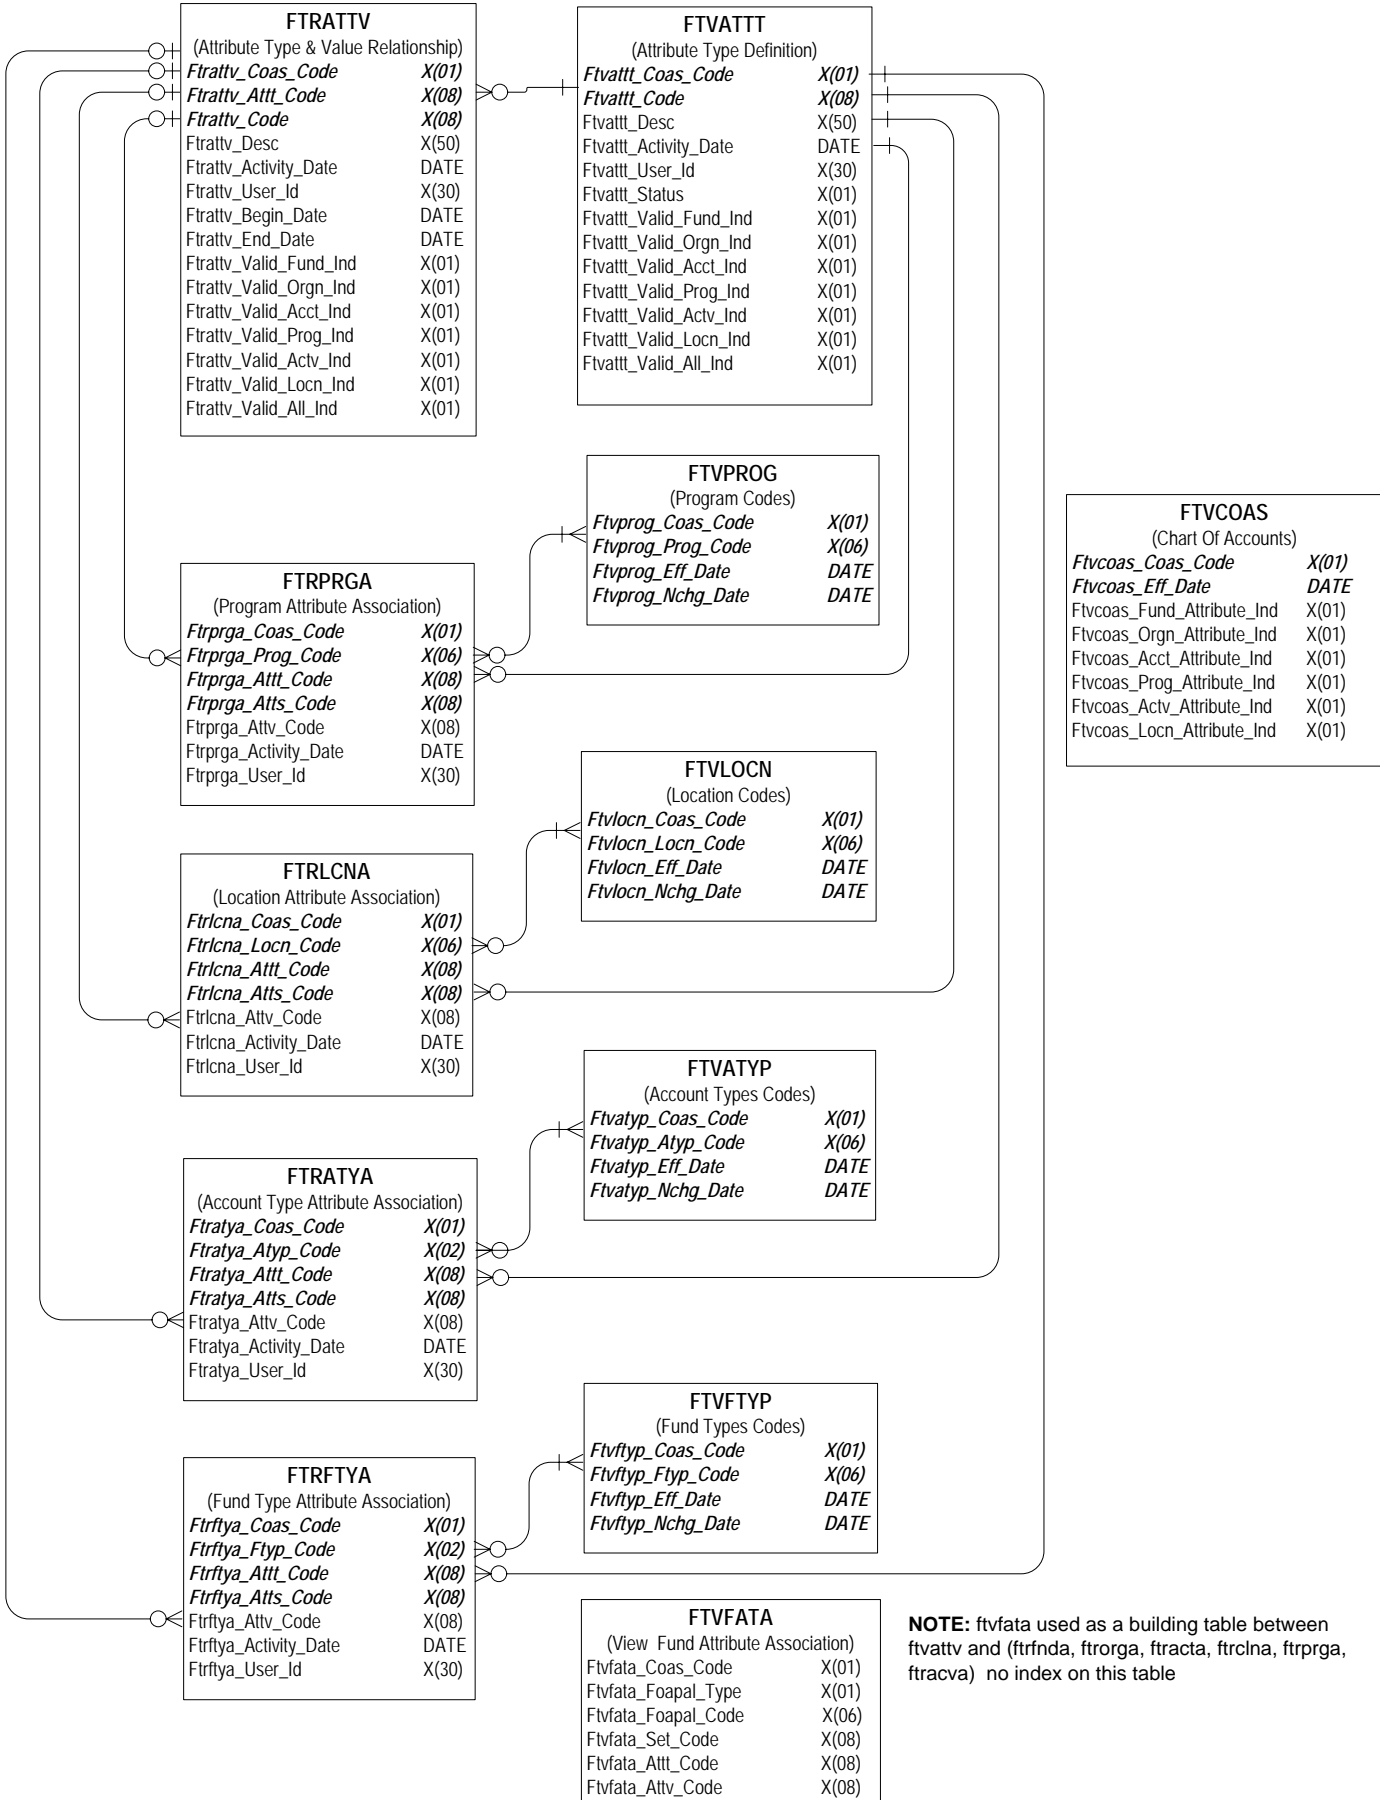

Last Modified Mar 26, 2008 8.0 rel

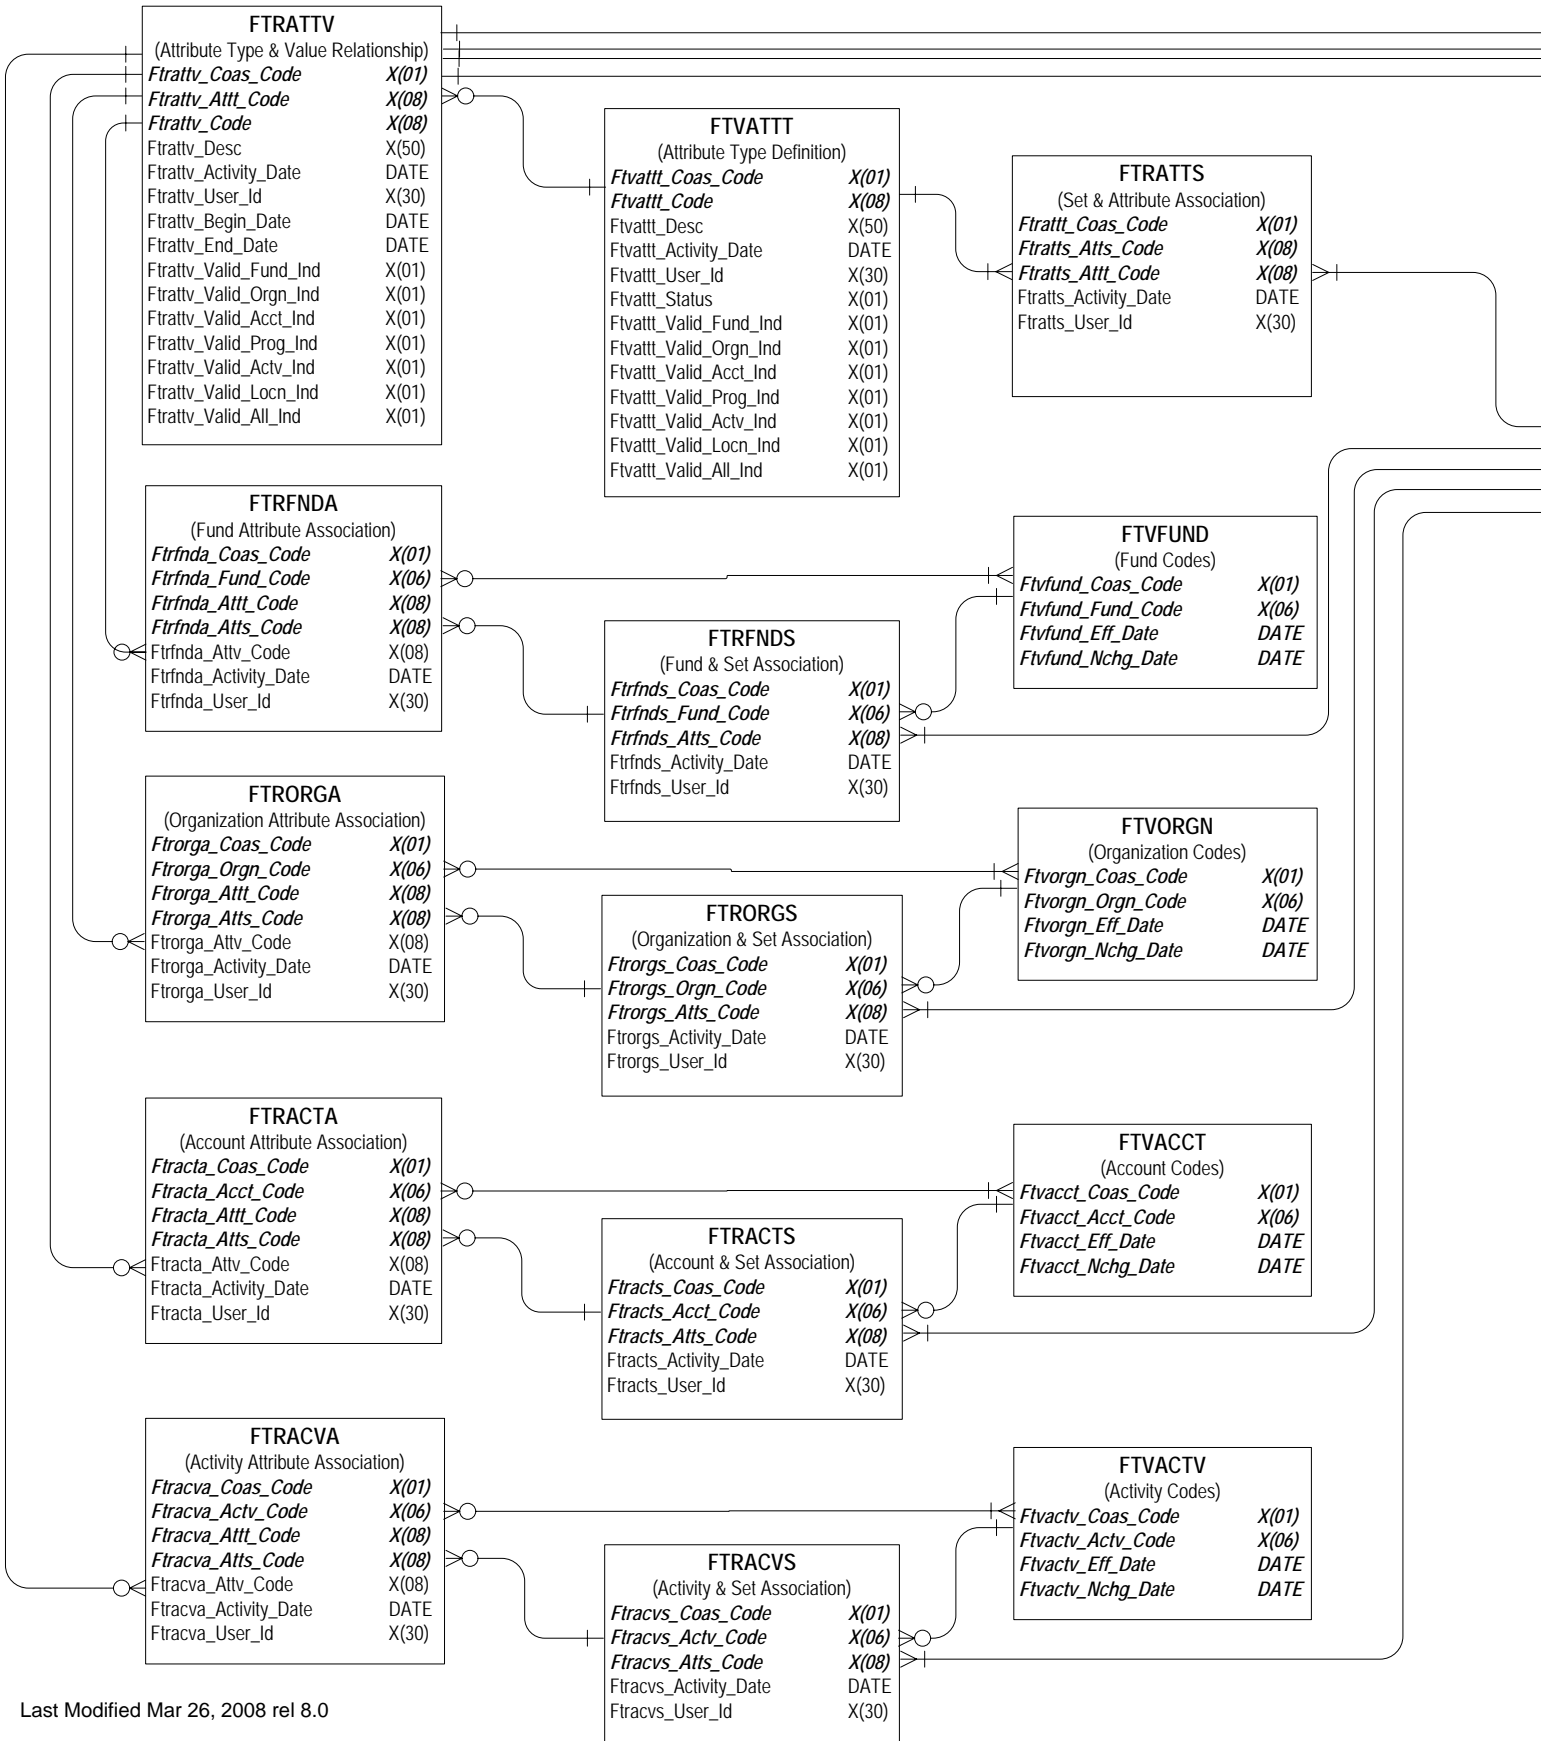

GREEN = new or changed fields for 8.x
 RED = obsolete fields
 BLUE = Useless Fields

NOTE: sets not required, ftrxxxx_atts_code is null.
 Then ftrxxxx_attv_code is required. If only type
 assigned, type defaults into ftrxxxx_attv_code.
 Thus a link is not always necessary between ftrattv
 and ftrxxxx.
